**GREAT NEWS FOR
SHEEP AND LAMB PRODUCERS**

Get the most for your livestock at
**The Glen Innes
Regional Saleyards**

All the advantages of 'user-friendly' yards

*Courtesy of The Glen Innes Examiner
One of the lucky Yasloc pen of the week winners*

Glen Innes Regional Saleyards is recognized as the premier sheep and lamb auction centre for Northern New South Wales and Southern Queensland. This is reinforced through a survey conducted by AURORA PRACTICAL SOLUTIONS which found these saleyards are highly competitive with other regional centres and in most cases prices were higher for prime and store lambs.

None of this surprises regular users of the Glen Innes Saleyards, given the town's strategic location at the intersection of the New England and Gwydir Highways and the saleyard's reputation for efficiency and its user-friendly environment.

The saleyards management committee points out the advantages of:

- Weekly sales throughout the selling season.*
- Monthly store sheep sales combined with large offerings of well advertised store lambs attracting buyer premiums.*

Glen Innes Saleyards are leaders with the adoption of pen lot weighing for lambs and sheep. Also the availability of secure holding paddocks allows arrival flexibility and first class presentation of your livestock as is recognized by regular vendors as far a field as Southern Queensland and all parts of Northern New South Wales.

Producer incentives are enhanced by the four week export and trade pen of the week competition supported with significant prizes conducted in January and February.
