## a one-on-one Business Booster Coaching Session

Eight businesses – that complete the online training – will be selected for a one-on-one coaching session (at your store) with the creator of *Business Boosters* – David Engwicht.

**David is considered one of the world's leading experts in breathing new life into town centres and shopping streets and in helping business attract more customers.**

# Yes!

I have completed the online training and would love to be considered for an in-store, one-on-one coaching session with the internationally renowned business coach, David Engwicht.
